# INDEX TO VOLUME LXVII

Adrenal cortical function, Electrolyte changes in pulmonary tuberculosis with special reference to ..... 345
Allergy, Observations on the ineffectiveness of oral administration of potassium chloride in various forms of ..... 219
Anaesthesia, The coronary arteries in relation to sudden death during ..... 211
Ataxia and degeneration in the nervous system of pigs, The relation of diet to the occurrence of ..... 377

Bernstein, Alan (see Fisher, A. Murray) ..... 457
Blood vessels, The innervation of, as observed in the urinary bladder ..... 196
Book reviews ..... 73, 154, 225, 306, 374, 468
Bratton, A. Calvin (see Marshall, E. K., Jr.) ..... 163
Bronchopneumonia, Current, of unusual character and undetermined etiology ..... 229
Bronchopneumonia of unknown etiology (variety X). A report of thirty-two cases with two deaths ..... 268
Brooks, Chandler McC., and Clinton N. Woolsey: Placing and hopping reactions in relation to the electrically excitable "motor" areas of the cerebral cortex of the rabbit ..... 41

Cerebellar vermis, Functional studies following lesions of, involving the nucleus fastigii ..... 125
Chemotherapy of experimental E. coli infections in mice ..... 365
Corner, George W.: The rate of secretion of estrogenic hormones by the ovaries of the monkey, macaca rhesus ..... 407
Crossley, M. L. (see Feinstone, W. Harry) ..... 427
Culp, Ormond S.: Postoperative venous thrombosis and pulmonary embolism. Analysis of 88 cases ..... 1

Dayman, Howard (see Thorn, George W.) ..... 345
Desoxycorticosterone, Gynecogenic action of, in the rhesus monkey ..... 189

Estrogenic hormones, The rate of secretion of, by the ovaries of the monkey, macaca rhesus ..... 407

Feinstone, W. Harry, Roger D. Williams, Robert T. Wolff, Evelyn Huntington, and M. L. Crossley: The toxicity, absorption and chemotherapeutic activity of 2-sulfanilamidopyrimidine (sulfadiazine) ..... 427
Firor, W. M. (see Lamont, A) ..... 25
Firor, W. M. (see Shumacker, H. B., Jr.) ..... 92
Fisher, A. Murray, and Alan Bernstein: March hemoglobinuria. A case report ..... 457
Follis, Richard H., Jr.: The coronary arteries in relation to sudden death during anaesthesia ..... 211
Friedenwald, Jonas (see Laughlin, Robert Clark) ..... 79

Furstenberg, Frank R., and Leslie N. Gay: Observation on the ineffectiveness of oral administration of potassium chloride in various forms of allergy ..... 219
Futcher, Palmer Howard: The distribution of pigmentation on the arm and thorax of man ..... 372

Gay, Leslie N. (see Furstenberg, Frank F.) ..... 219
Gemmill, C. L. (see Pfund, A. H.) ..... 61

Hemoglobinuria, March. A case report ..... 457
Hesser, Frederick H. (see Langworthy, Orthello R.) ..... 196
Holt, L. Emmett, Jr. (see Najjar, Victor A.) ..... 92
Howard, R. Palmer (see Thorn, George W.) ..... 345
Huntington, Evelyn (see Feinstone, W. Harry) ..... 427
Hyperplastic mammary nodules in the castrate female rhesus monkey ..... 414
Hypertension, experimental renal, The retinal arteries in. The significance of localized caliber constriction ..... 79

Johns Hopkins Medical Society, Proceedings of the meetings of ..... 66, 462

Klinefelter, Harry F.: Chemotherapy of experimental E. coli infections in mice ..... 365
Kneeland, Yale, Jr., and Hans F. Smetana: Current bronchopneumonia of unusual character and undetermined etiology ..... 229

Lamont, A., W. M. Firor, and H. B. Shumacker, Jr.: The "lethal dose" of toxin in experimental tetanus ..... 25
Lamont, A. (see Shumacker, H. B., Jr.) ..... 92
Langworthy, Orthello R., and Frederic, H. Hesser: The innervation of blood vessels as observed in the urinary bladder ..... 196
Laughlin, Robert Clark, Caroline Bedell Thomas, and Jonas S. Friedenwald: The retinal arteries in experimental renal hypertension: The significance of localized caliber constriction ..... 79
Lewis, Margaret Reed: Immunity in relation to 1:2:5:6-dibenzanthracene-induced sarcomata ..... 325
Lisco, Hermann (see Wintrobe, Maxwell M.) ..... 377
Litchfield, J. T., Jr. (see Marshall, E. K., Jr.) ..... 163
Longcope, Warfield T.: Bronchopneumonia of unknown etiology (variety X). A report of thirty-two cases with two deaths ..... 268

Marshall, E. K., Jr., A. Calvin Bratton, H. J. White, and J. T. Litchfield, Jr.: Sulfanilylguanidine: A chemotherapeutic agent for intestinal infections ..... 163
Miller, Joseph (see Wintrobe, Maxwell M.) ..... 377

Najjar, Victor A., and L. Emmett Holt, Jr.: Studies in thiamin excretion ..... 107
Nucleus interpositus, Functional studies following lesions of, in the rabbit ..... 139

Pfund, A. H., and C. L. Gemmill: An infrared absorption method for the quantitative analysis of respiratory and other gases ..... 61
Pigmentation on the arm and thorax of man, The distribution of ..... 372

Placing and hopping reactions in relation to the electrically excitable "motor" areas of the cerebral cortex of the rabbit ..... 41
Postoperative venous thrombosis and pulmonary embolism. Analysis of 88 cases ..... 1

Respiratory and other gases, An infrared absorption method for the quantitative analysis of ..... 61

Sarcomata, Immunity in relation to 1:2:5:6-dibenzanthracene-induced ..... 325
Sherman, I. J.: The sickling phenomenon, with special reference to the differentiation of sickle cell anemia from the sickle cell trait ..... 309
Shumacker, H. B., Jr., W. M. Firor, and A. Lamont: Toxin-antitoxin reactions in experimental tetanus ..... 92
Shumacker, H. B., Jr. (see Lamont, A.) ..... 25
Sickle cell anemia, The sickling phenomenon, with special reference to the differentiation of, from the sickle cell trait ..... 309
Smetana, Hans F. (see Kneeland, Yale, Jr.) ..... 229
Snider, R. S.: Functional studies following lesions of the cerebellar vermis involving the nucleus fastigii ..... 125
Snider, R. S.: Functional studies following lesions of the nucleus interpositus in the rabbit ..... 139
Speert, Harold: Gynecogenic action of desoxycorticosterone in the rhesus monkey ..... 189
Speert, Harold: Hyperplastic mammary nodules in the castrate female rhesus monkey ..... 414
Sulfadiazine, The toxicity, absorption and chemotherapeutic activity of 2-sulfanilamidopyrimidine ..... 427
Sulfanilylguanidine: A chemotherapeutic agent for intestinal infections ..... 163

Tetanus, experimental, The "lethal dose" of toxin in ..... 25
Tetanus, experimental, Toxin-antitoxin reactions in ..... 92
Thiamin excretion, Studies in ..... 107
Thomas, Caroline Bedell (see Laughlin, Robert Clark) ..... 79
Thorn, George W., R. Palmer Howard, and Howard Dayman: Electrolyte changes in pulmonary tuberculosis, with special reference to adrenal cortical function ..... 345

White, H. J. (see Marshall, E. K., Jr.) ..... 163
Williams, Roger D. (see Feinstone, W. Harry) ..... 427
Wintrobe, Maxwell M., Joseph Miller, and Hermann Lisco: The relation of diet to the occurrence of ataxia and degeneration of the nervous system of pigs ..... 377
Wolff, Robert T. (see Feinstone, W. Harry) ..... 427
Woolsey, Clinton N. (see Brooks, Chandler McC.) ..... 41
